Disclaimer:

- This Beta site has been set up to test the functionality of the new BT Wholesale Performance Tester on broadband ("the Trial").
- This Site can be used to complete a download speed test on broadband lines however the accuracy of the results are not guaranteed for lines running above 24Mbps. Whilst every effort has been made to ensure the accuracy of the results for lines running below 24Mbps, during the Trial, any such results will be indicative only, and do not form part of the applicable BT Wholesale Broadband Services contract.
- BT Wholesale will not accept any line speed faults from Communications Providers based on the output of this Beta Speed Tester.
- BT Wholesale may change or withdraw this Tester and or end the Trial without notice.
