Upload speed achieved during the test was 17.08 Mbps

For your connection, the maximum achievable upload speed is 20 Mbps

IP Profile for your line is 20 Mbps

## Summary Advanced Performance Test -

### Result Message

This test was not conclusive and further testing is required. This might be useful for your Broadband Service Provider to investigate the fault. Note:An error occurred while trying to retrieve additional details regarding your service. As a result we are unable to determine if the speed you received during the upstream test is acceptable for you service. Please re-run the test if you require this additional information. Please visit the Speed Test Guidance if you are unable to understand the test results.
