Upload speed achieved during the test was 1.09 Mbps
For your connection, the maximum achievable upload speed is 10 Mbps
IP Profile for your line is 10 Mbps

Summary Advanced Performance Test -

Result Message
This test was not conclusive and further testing is required. This might be useful for your Broadband Service Provider to investigate the fault. Note:An error occurred while trying to retrieve additional details regarding your service. As a result we are unable to determine if the speed you received during the upstream test is acceptable for you service. Please re-run the test if you require this additional information. Please visit the Speed Test Guidance if you are unable to understand the test results.
